1 Plaintiff TREVOR MOSS (hereinafter "Plaintiff" or "Mr. Moss") hereby alleges the
2 following:

3 **JURISDICTION AND VENUE**

4 1. Plaintiff is a citizen of the United States and a resident of the County of Sonoma,
5 State of California. Plaintiff is a civil engineer, providing consulting engineering services from
6 his place of business in Sonoma County, California.

7 2. Mr. Moss is a Registered Engineer and holds an honors degree in civil and
8 structural engineering from the University of Bradford, England and a master's degree in civil
9 engineering from Arizona State University. Mr. Moss is an experienced executive with over
10 twenty-five years in the mining industry, having worked extensively in development roles for
11 some of the world's largest and successful mining operations and specialist consultants in Latin
12 America, Europe, Asia Pacific and North America.

13 3. Plaintiff is informed and believes, and on that basis alleges, that Defendant
14 TIBERON MINERALS LTD. (hereinafter "TIBERON") is, and at all relevant times was, a
15 Canadian corporation, conducting business internationally, with its principal place of business in
16 Toronto, Ontario. Federal courts have jurisdiction over an action between "citizens of a State and
17 citizens or subjects of a foreign state." 28 U.S.C. § 1332(a) (2).

18 4. Plaintiff provides engineering consulting services in the State of California. At the
19 time he was approached by TIBERON to perform consulting services in connection with a
20 mining project in Vietnam, plaintiff's consulting business was located in San Ramon, California.
21 During the course of providing consulting services, Mr. Moss relocated his offices to Santa Rosa,
22 California, where he presently resides.

23 **FACTUAL ALLEGATIONS COMMON TO ALL CAUSES OF ACTION**

24 5. Plaintiff is informed and believes, and on that basis alleges, that TIBERON is an
25 exploration and development company with a 70% controlling interest in the Nui Phao
26 tungsten/fluorspar project in Vietnam. TIBERON's objective is to become a dominant, low-cost,
27 international producer of specialty application commodities. TIBERON anticipates becoming the
28 world's largest primary tungsten producer and a major producer of acid-grade fluorspar, as well

1 as bismuth, copper and gold through development of its Nui Phao property in Vietnam.

2 6. Prior to accepting the consulting position offered by TIBERON, Mr. Moss held
3 positions with Cyprus Amax Minerals, Barrick Gold, Aker Kvaerner and Gabriel Resources. He
4 has had comprehensive international experience in the areas of operations and project
5 development, risk assessment/mitigation, enterprise financial modeling, debt/equity project
6 financing, government relations and corporate social and environmental responsibility.

7 7. Mr. Moss was solicited by TIBERON to provide consulting engineering services
8 in the spring and summer of 2005. In August of 2005, after lengthy negotiations, TIBERON
9 appointed Mr. Moss to the position of vice president, operations, although he continued to reside
10 and provide his consulting services from his California office. Mr. Moss was responsible for
11 consulting services in the development of TIBERON's Nui Phao tungsten-fluorspar property in
12 Vietnam which was scheduled to begin commercial production of these strategic commodities in
13 the first quarter of 2008.

14 8. Mr. Moss's services included operations and project development, risk
15 assessment/mitigation, enterprise financial modeling, debt/equity project financing, government
16 relations and corporate social and environmental responsibility. A substantial portion of the
17 services were provided at plaintiff's California office, as well as in Australia, Vietnam and
18 elsewhere. A copy of plaintiff's Consulting Agreement is attached as Exhibit "A," while
19 TIBERON's Guarantee of the Consulting Agreement's payment obligations is attached as Exhibit
20 "B."

21 9. As set forth in the Consulting Agreement, notices were to be given to Mr. Moss at
22 his California address, and payments were made to him at that address. Effective August 31,
23 2006, in accordance with numbered Section 5(b)(i) of the Consulting Agreement, entitled
24 "Termination Without Cause," the consulting relationship ended. Section 5(b)(i) of the
25 Consulting Agreement provides, in pertinent part, that Mr. Moss shall be paid on the date that the
26 Agreement is terminated "all his accrued but as yet unpaid consulting fees, reimbursable
27 expenses, accrued but as yet unused vacation and his annual bonus for the year in which the
28 termination occurs, to the extent earned based on performance for the year to date, in an amount

1 pro rated proportionate to that portion of the year completed as of the effective date of
2 termination.”

3 FIRST CAUSE OF ACTION

4 **Breach of Written Agreement**

5 10. The allegations contained in paragraphs 1 through 9, inclusive, are realleged in full
6 and incorporated herein by reference.

7 11. Although the Consulting Agreement between Nui Phao Mining Joint Venture
8 Company Ltd. and Mr. Moss, guaranteed under a separate Guarantee of even date by TIBERON,
9 and in particular Section 2(a), provides that Mr. Moss shall receive a bonus based upon his
10 achievement of designated annual objectives, TIBERON failed and refused to make such bonus
11 payment or any part thereof “on the date that the Agreement [was] terminated” as agreed. The
12 bonus amount, pro rated to reflect the portion of the fiscal year during which he was employed,
13 was to be paid to him pursuant to Section 5(b)(i) of the Consulting Agreement if, as was the case,
14 his employment should be terminated without cause before completion of the year.

15 12. Pursuant to Section 2(a) of the Consulting Agreement, drafted by TIBERON as
16 Nui Phao Mining Joint Venture Company Ltd.’s managing partner and 70% owner, Mr. Moss
17 was to receive a bonus based upon his achievement of designated annual objectives, “mutually
18 agreed upon each year by the parties ... within eight (8) weeks after the [start of each calendar
19 year].” Although the TIBERON drafted provision states that the “calendar year” bonus shall be a
20 percentage of Mr. “Moss’s prior twelve (12) month consulting fee with a target of 40% as a
21 bonus,” the parties understood that the 40% figure was a minimum, as evidenced by the fact that
22 plaintiff was paid a 40% bonus for calendar year 2005 despite the parties’ failure to designate any
23 “annual objectives” for the period in question and Mr. Moss was told that the minimum figure
24 was selected as there was no designated annual objectives supporting a higher amount.

25 13. In accordance with Section 2(a) of the Consulting Agreement, the parties
26 designated annual objectives for calendar year 2006, all of which were either achieved by Mr.
27 Moss or excused from performance due to impossibility. Notwithstanding performance by Mr.
28 Moss, no bonus was paid “on the date that the Agreement [was] terminated”, or at all. A true and

1 correct copy of the notification sent to Mr. Moss by TIBERON on or about February 19, 2007,
2 advising that no bonus would be paid, notwithstanding the parties' agreement, is attached as
3 Exhibit "C."

4 14. Every contract imposes upon each party a duty of good faith and fair dealing in the
5 performance of the contract such that neither party shall do anything which will have the effect of
6 destroying or injuring the right of the other party to receive the fruits of the contract. The
7 covenant of good faith finds particular application in situations where one party is invested with a
8 discretionary power affecting the rights of another. Such power must be exercised in good faith.

9 15. As an actual and proximate result of TIBERON's failure to honor its agreement,
10 plaintiff has suffered a severe loss of income, in a sum to be determined according to proof at
11 time of trial, but in excess of the jurisdictional minimum of this Court.

12 **SECOND CAUSE OF ACTION**

13 **Failure to Pay Earned Bonus**

14 16. The allegations contained in paragraphs 1 through 15, inclusive, are realleged in
15 full and incorporated herein by reference.

16 17. In August of 2005, TIBERON appointed Mr. Moss to the position of vice
17 president, operations. Effective August 31, 2006, in accordance with numbered Section 5(b)(i) of
18 the Consulting Agreement, entitled "Termination Without Cause," the consulting relationship
19 ended. Plaintiff is presently owed his bonus by TIBERON as a result of the Consulting
20 Agreement and Guarantee.

21 18. Plaintiff has not received payment of the bonus he earned, although the amount is
22 substantial. TIBERON's failure to pay the full amount due to plaintiff upon his termination and
23 its delay in providing Plaintiff with payment of his bonus violates the provisions of Cal. Labor
24 Code sections 200 *et seq.* Plaintiff alleges that there is now due and owing to plaintiff payment of
25 the bonus, plus interest and penalties. TIBERON has failed and refused, and continues to fail and
26 refuse, to pay the amount due.

27 19. Pursuant to Cal. Labor Code section 203 and other provisions of California law,
28 plaintiff requests that this Court award him penalties. Pursuant to Cal. Labor Code section 218.5

1 and other provisions of California law, plaintiff requests that this Court award him reasonable
2 attorneys' fees and costs incurred by him in bringing this cause of action.

3 20. Pursuant to Cal. Labor Code section 218.6 and other provisions of California law,
4 plaintiff requests that this Court award plaintiff interest on his due and unpaid bonus, at the legal
5 rate specified by Cal. Civil Code section 3289(b), accruing from the date the bonus was due and
6 payable.

7 **PRAYER FOR RELIEF**

8 WHEREFORE, Plaintiff prays for judgment against Defendant TIBERON as follows:

- 9 1. Damages in an amount to be proven at trial, an amount which exceeds this Court's
10 jurisdictional minimum;
- 11 2. Costs of suit incurred herein;
- 12 3. Attorneys' fees pursuant to contract and statute;
- 13 4. Interest and penalties on the earned bonus due plaintiff; and,
- 14 5. Any and all other relief as this Court deems just and proper.

Dear Trevor

As you are aware, a meeting of the Compensation Committee was held in Toronto this past week at which your bonus was discussed. The Committee had the benefit of reviewing all relevant documentation and correspondence on the matter of a bonus, including all of the matters raised by you in your submissions in that regard. After due consideration, the Committee determined that you are not eligible for a bonus under the terms of your arrangement with the Company. Subsequently, that decision was received by the Board of Directors and they determined to take no action to approve a bonus. The granting of a bonus is at the discretion of the Board of Directors of the Company and in the circumstances their determination is final.

Yours truly,
